#### Two young musicians

Frank and Jimmy are music students. They live in the same house and they are good friends but they like very different kinds of music.

Frank likes classical music. He can play the violin very well and he's also learning the viola. He practises every evening and sometimes he plays for three or four hours. He also listens to modern tango and plays the violin in a modern tango group called Tangota.

Jimmy likes pop music. He listens to slow music when he's stressed, but when he is happy he listens to reggae or rock music. He loves going to concerts.

Last Saturday Frank and Jimmy wanted to rest. They packed and went to the beach. It was a sunny day. They were very happy. They played football and tennis. At the end of the day, they went back home. They were very tired!
