Reading comprehension

2- Read the text and then write *True*, *False* or *Doesn't say*. Correct the *false* statements using true information from the text.

STRANGE DRIVER ON MAIN STREET

Yesterday afternoon, two police officers were travelling on Main Street when they saw something very strange. There was a car in front of them. It was going very slowly.

The police officers were passing the car when they noticed that a dog was sitting on its owner's legs and it was driving!

When the police stopped the car, the owner said, Fido was driving really well! I don't know why you stopped us.

The police officers were really surprised and took the dog's owner, Sam Brown, to the police station where Sam had to pay a fine.

Some days later Sam received a letter inviting Fido to work at a driving school as helper. Fido accepted the job!

- 1 Three police officers saw a dog driving. _____
- 2 The dog's paws were on the wheel. _____
- 3 Sam understood why the police officers stopped them. _____
- 4 Sam had to pay some money because Fido's droppings were on the street.

- 5 Fido got a job at a driving school. _____

Corrections:

USED TO
