

7TH FORM PRACTICE TEST UNITS 1-2

READING

1-Read the text about an exchange trip and decide if each sentence 1-10 is True (T) or False (F).

A blog

Well, here I am in France on my exchange trip. I'm staying with a French family for two weeks and I'm going to school with my French friend, Mathilde. I'm in a city called Tours, which is in the west of France. The Perrin family live in a big, old flat near the city centre. I love living right in the centre of a busy city, near the shops and cafés.

The Perrin family are really nice and friendly and they're very patient when I'm trying to explain something in French! Madame Perrin is a Maths teacher and Mr Perrin is an engineer. Mathilde's got one younger brother, Mathieu, who's at primary school.

I go to school with Mathilde every day and I spend most of my time in her class, but sometimes I go to different classes with the English teacher. I talk to the class about where I'm from and what I do and they ask me questions about my life and school in England. I enjoy doing this and the English teachers ask me to talk to as many classes as possible.

Mathilde's a very sociable, busy person and she's interested in lots of different things. She sings in a choir and she goes to dance classes. I go with her, but I just watch and listen. We sometimes go swimming or skating with a group of her friends. Her family has dinner quite late in the evening, at about 8pm and I'm really hungry by then because my family usually has dinner at 6.30pm. I love French food – especially breakfast. I usually have a small bowl of hot chocolate and fresh bread with butter and jam. Everything's so different from home!

The Perrin's flat is in an old building. The rooms are very spacious with lots of windows. The furniture is a mix of antique and modern, which I think is very attractive. It's different from a typical English house, for example, they don't have carpets on all the floors or curtains at the windows. I'm sharing Mathilde's room. Mathilde likes modern furniture and everything's blue and green, which are her favourite colours. There are two beds, a small sofa, an enormous wardrobe, a desk and lots of bookshelves. Mathilde is very tidy, so I'm trying to keep my things tidy too.

I'm having a great time in Tours, it's an interesting, historical city on the river Loire. Tomorrow, we're visiting one of the famous castles on the river. I can't wait!
